

Certificate

Payment Application Data Security Standard

We herewith confirm to

DPS Engineering GmbH

Silcherstraße 9

70771 Leinfelden-Echterdingen

Germany

the successful verification of compliance according to Payment Application Data Security Standard (PA-DSS) Version 2.0.

The following software has passed the test measures of PCI PA-DSS:

Software/Name	Version	Date of Certification	Expiry date
eCMS-Suite	1.5.0	27.05.2011	28.10.2016

This confirmation shall apply exclusively for the test items observed at the time of the examination. The company shall pledge to only use the provided certificate and the test log during the above-indicated period of validity.

Langen, 27.05.2011
